

Taking action in WELLINGBOROUGH

Everyone deserves to enjoy the summer without being affected by other people's behaviour and we are cracking down on those that act in an anti-social way in Wellingborough.

We take behaviour such as shouting and swearing, fighting, drinking in the street, taking drugs, hoax calls, littering and graffiti very seriously. Most people don't cause these problems but we are taking action against those that do – stop searches, taking underage drinkers home, forbidding individuals from returning to a particular area within 24 or 48 hours and we will arrest offenders when necessary. We are targeting areas where residents have told us that these issues occur.

We are committed to finding the best resolutions to the things that matter to the people of Wellingborough. Anyone can be affected by these issues and behaviour and we need to know where and when they happen – please contact us and let us know.
