Every effort is made to ensure that the figures presented are accurate and complete. However, it is important to note that the data has been extracted from a number of data sources used by forces for police purposes. The detail collected to respond specifically to your request is subject to the inaccuracies inherent in any large-scale recording system. As a consequence, care should be taken to ensure data collection processes, and their inevitable limitations are taken into account when interpreting the data.

The numerical data presented in this response is an un-audited snapshot of un-published data sourced from "live" systems and is subject to the interpretation of the original request by the individual extracting the data. The figures provided are therefore our best interpretation of relevance of data to your request, but you should be aware that the collation of figures for ad hoc requests may have limitations, and this should be taken into account when the data is used.

If you decide to write an article or use the enclosed data, we would ask you to take into consideration the factors highlighted in this document so as to not mislead members of the public or official bodies or misrepresent the relevance of the whole or any part of this disclosed material.

Appeal

If you are dissatisfied with the handling procedures or the decision that Northamptonshire Police have made under the Freedom of Information Act 2000 (the Act) regarding access to information, you can lodge an appeal with the Northamptonshire Police to have the decision reviewed. Appeals should be made in writing within 20 days of receipt of your reply and emailed to freedomofinformation@northants.police.uk or addressed to:
