REDUCE MOBILE PHONE CRIME

Thousands of mobile phones are lost or stolen each year in the UK. The Immobilise National Property Register already holds the details of over 35 million items of property. Add your phone now to protect it and help the Police tackle mobile phone crime.

REGISTER

Register your phone FREE by visiting immobilise.com, it only takes a couple of minutes and once you have registered you will have a better chance of getting your phone back if it's lost or stolen.

REPORT

If your phone is lost or stolen report it to your network and get the SIM and IMEI blocked, then tell Immobilise via your online account. This information is then made available to UK Police forces through their online systems.

REUNITE

If your registered property is recovered either the Police or Immobilise will contact you and let you know its location.
